

OXFORD YELLOW PAGES

God has given each person gifts-time, talents, material treasures, attitudes, abilities, connects, knowledge, skills- that we are meant to use to help others in the name of Jesus. Sometimes what we contribute will be “big” sometimes it may seem “small” but when we use what God has given us to help others, the effect is always great. We are creating Oxford Yellow Pages as a resource to recognize the God-given gifts of our people and to give us all an opportunity to use them to help our Oxford family. What can you offer? No one of us can help everyone, but we can each be there for another in some way. Please fill out this form and include any information with the gifts you have been given and may be able to use to help others in your Oxford family and greater community.

Name: _____(Please Print)

Best way to contact me (home phone number, cellular number and/or email address):
